A roadworthy e-scooter will be provided for the training.

Please tick one of the boxes below indicating whether you will wear a cycle helmet on the e-scooter training course:

- ☐ **I will wear** a cycle helmet which I will provide, that is safe and suitable for use. I understand that Bikeworks will not be held liable for any injury which is caused by the wearing of a helmet.
- ☐ **I will not be wearing** a cycle helmet on this training course and I understand that Bikeworks will not be held liable for the result of any injury, which may have been prevented by the wearing of a helmet.
- I understand that Bikeworks CIC is not responsible for any injury or any loss or damage to any property which is not caused by an instructor's negligence and that Bikeworks CIC takes no responsibility whatsoever for any injury or damage to any property which occurs either on the way to or from the lesson or subsequent to lessons.
 - I accept that the instructors may, at any time, refuse to continue to train me if my behaviour or ability level is deemed to be unsuitable.
 - I understand that having taken training it does not necessarily follow that it is safe for me to ride an e-scooter. To become a proficient rider takes much more practice than lessons of this kind can provide.
 - I understand the personal details held by Bikeworks CIC may be passed on to the funding providers of this training and that they may contact me to ask for details of the lesson. Please note any medical conditions or other relevant information that may affect your training: _____

Please tick one of the options below:

- ☐ I do not want photos of me taken for publicity.

E-scooter training will be delivered in line with current Covid-19 government guidance.
